

## **Professional Licensure or Certification Disclosure Fully Online Nursing and Health Science Programs at Valdosta State University**

VSU provides professional licensure information for current and prospective students who are interested or enrolled in VSU fully online programs that may lead to professional licensure or certification. Each state/territory defines its own requirements for licensing and certification in professional fields. The information below identifies whether the program meets or does not meet licensure requirements for all 50 states. For admission requirements, please visit <https://www.valdosta.edu/admissions/>.
